Dear Parent or Guardian,

You will be receiving a brochure regarding Voluntary Student Accident insurance. For as little as \$8.00 per student, you may purchase medical accident insurance for the school year. Dental accident insurance is also available at an additional cost. Please read the brochure carefully and consider purchasing this valuable insurance.

It is important for you to know that the **School Board does not cover most student accidents that occur at school, such as in the classroom, on the playground, and during field trips.** Accident claims are often the responsibility of the parent or guardian. For less than the cost of a single physician's visit, you can purchase voluntary student accident insurance. If you choose "Optional 24-Hour Accident Coverage" it will cover student accidents during the school day, as well as any that may occur during weekends, vacations and the summer months. Please be advised that this coverage is secondary to any other primary insurance that covers the student.

You may view additional information, enroll and purchase coverage online @ www.k12specialmarkets.com or print and mail your enrollment form.
