<i>Please read and initial beside each statement below:</i>		
Completion of this application does not guarantee admission to the Academy of Commercial Photography Technology. Determinations will be based on academic success in core curricula, student conduct and thorough review of this application and forthcoming interview, and the number of available spots in the Academy.	_____	_____
Students enrolled in the Academy of Commercial Photography Technology will be working toward earning their Adobe Certifications using Photoshop CC. To successfully complete the Academy and earn these certifications, students must pass a certification exam proctored at MCHS.	_____	_____
By earning their industry certifications, students will have access to scholarship opportunities and articulation agreements for college credit at numerous post-secondary institutions that offer degrees Photography, Visual Communication, or Information Technology and students may be eligible to earn a minimum of 12 college credits through articulation agreements with local colleges.	_____	_____

Questions:

Thoughtfully answer the following questions with as much information and detail as possible. Please write or type your responses on another sheet.

1. Students of photography are expected to have a camera. Large 35mm SLR cameras are available to use in the classroom on occasion. What kind of photography equipment do you already possess?
2. What is your experience in film or digital photography? What is the subject of your favorite photographs?
3. Have you used Adobe Photoshop or other photo-editing software?
4. Please explain your interest in MCHS's signature Commercial Photography Technology Academy? Please include future career interests.

Martin County High School Academy of Digital Photography Signature Program Application

I have read the MCHS Career Academy information and understand the level of commitment required to achieve program completion. Upon completion, I may have the opportunity to receive college articulation credits, the Gold Seal Bright Futures scholarship and Adobe Photoshop CC Industry Certifications. As a student in this program, I am expected to follow the safety procedures and class rules.

Signature program students must complete an interview with Ms. Dervin in a meeting with their parent/guardian before admission decisions can be made. Academy of Commercial Photography Technology admission decisions will be made after all applicants have been interviewed. You will receive a letter stating your status once all interviews have been completed.

Please note: This application does not ensure acceptance into a Career Academy. If your child requires reading or math remediation, their schedule may not accommodate participation.

Participation in this program may require a lab fee.
