AVID is a program that prepares students for four-year college eligibility. AVID students are enrolled in the AVID Elective class.

**Student goals:**

1. Academic success in high school/college preparatory classes.
2. Successful completion of high school/college eligibility requirements.
3. Eligible for enrollment in four-year college or university after high school graduation.

**Student Responsibilities:**

1. Maintain satisfactory citizenship and attendance in all classes.
2. Maintain the AVID binder which contains **all** classes' assignments, tests, and projects.
3. Maintain an accurate agenda/planner of course work.
4. Complete all homework assignments.
5. Participate in the collaborative study groups during AVID Elective.

**Student Agreement:**

I agree to accept enrollment into the AVID elective class, which will offer academic support to me. I want to succeed and I understand I must take individual responsibility for my own success. I understand that in order to give fair consideration to my involvement with the program, I must commit to remaining enrolled in the AVID elective for at least one year and that I will be allowed to remain in the program only if I meet the student responsibilities outlined above. I also understand that studies show I will be most likely to demonstrate academic improvement if I remain in the program for at least three years. I will be most likely to achieve my goal of enrollment in a four-year college if I remain in AVID through my senior year in high school.
